## **CHAPLAIN'S CORNER**

**July has arrived which means we are now into the second half of 2026. How time "flies". Before we know it, we'll be preparing for Christmas events again.**

**But before we plan for Christmas, we have summer to plan for.**

**What's on your summer schedule? With schools closed for two months, there may be ample time to spend with grandchildren or even great grandchildren. Will we take them to the park for lunch and fun activities? Or maybe we will take them on a shopping trip to the local mall and then stop by the Dairy Queen for a Sunday or an ice-cream cone or a blizzard. Or maybe we'll have them at our residence for a sleep over?**

**What about ourselves? Will we plan a trip to visit our children in another province or even another country? Family reunions are often on the agenda for summer months. At our age, travel may be less of an attraction, but a family reunion might entice us to make one more trip. OR, what about a grandchild getting married? Then a trip will be warranted and will make summer a blessing to us.**

**The Psalmist seems to have a desire to travel. He says in Ps 55:6, "And I said, 'Oh that I had wings like a dove! I would fly away and be at rest.'" Don't we sometimes feel like David? Get me some wings and I would fly away to a place of rest and of peace. Lest we allow the summer schedule pressure us into a feeling of apathy, let us be in an attitude of victory and allow each day, whether with our family or friends, be experiences of giving praise to our God. With David, speak as he did in Ps 56: 3-4, 9; 3 "When I am afraid, I will put my trust in Thee. 4 In God, whose name I praise, in God I have put my trust; I shall not be afraid. What can mere man do to me? 9...this I know, that God is for me."**

**At the end of summer, we need to have a sharing time, telling each other about our summer experiences. Let's make plans for that. What do you think?**
